Testimonials from Gold Coast Open-Hearted Jan 2019.

"I gained awareness around issues I developed at a young age, these were brought to the surface and I was made aware, seeking space and the ability to feel it and let it go". C

"I developed a greater awareness of some of the thought patterns that were affecting me in a negative way." N

"I have become aware of some very important (crosses in my space), things in my life. These have been enlightened & shifted to a better place". D

"It felt so nice to create more clarity, understanding & Love. I was able to shift some viewpoints that have kept me stuck and create some change for myself as well as feel much more connected and Openhearted". D

"This is an experience that transcends you into a new level of awareness that you can utilize in the real world". M
